RE: Pine Water Company, Inc.
Docket No. W-03512A-03-0279

Dear Ms. Jeffers:

Thank you for taking the time to contact me to express your concerns regarding the proposed Pine Water Company application for increase in rates. I have placed your e-mail in the Commission's docket so that it will become part of the official record.

This matter should come before the Commissioners within the next few months. Unlike the state legislature or city council, the Commission is a quasi-judicial body which requires me and the other Commissioners to follow strict set of rules and procedures. We make our decisions based on evidence and testimony contained in the official record. That's why it is important that citizens participate in the Commission's proceedings.

Thank you for sharing your viewpoint with me.

Very truly yours,

Jeff Hatch-Miller, Commissioner
